In order to effect the orderly transfer of cases in accordance  
with the pairing plan, the following procedures apply

I. As of June 1, 2002, and until further Order of the Chief  
Judge, in all cases assigned to district judges with whom the  
magistrate judge is not paired, each magistrate judge shall retain,  
until disposition, all previously referred fully briefed motions  
In addition, each magistrate judge shall dispose of all other  
referred motions that become ripe for disposition in such cases  
until all fully briefed motions have been ruled upon by the  
magistrate judge. Upon the magistrate judge's disposition of all

fully briefed motions in any case assigned to a district judge with whom the magistrate judge is not paired, the magistrate judge shall certify to the district judge to whom the case is assigned that such motions have been ruled upon and the district judge will then issue an order directing the clerk of court to transfer the case to the "paired" magistrate judge. The magistrate judges shall use their best efforts to dispose of all motions in cases assigned to district judges with whom they are not paired within 60 days of the date of this order. At the conclusion of the 60 day period, each magistrate judge shall make a written status report to the Chief Judge about each such case retained from a judge with whom the magistrate judge is not paired.

Any consent trial, consent motion for summary judgment, and other "consent motion" shall remain with the magistrate judge who was assigned to the case when the consent was given

II. In the event of a lower-case transfer or a recusal by a district judge within 30 days of a case assignment, the Clerk's Office shall concurrently reassign the case to a district judge the magistrate judge with whom the newly-assigned district judge is paired. In the case of all other district judge recusals, procedures set forth in (I) above, shall apply

III. In any case filed after June 1, 2002, from which a magistrate judge recuses himself or herself the Clerk's Office shall randomly assign another magistrate judge to the case. For any case filed before June 1, 2002, which is subject to transfer pursuant to the Court's Magistrate Judge Pairing Plan, but with

respect to which the transferee magistrate judge recuses himself or herself, the case shall be returned to the transferor magistrate judge.

IV. District judges shall retain full discretion concerning the type and volume of matters referred. However, referrals shall be only to the "paired" magistrate judge, unless a district judge after conferring with and obtaining the agreement of the district judges with whom another magistrate judge is paired determines that a case or motions should be assigned to or remain with such other magistrate judge (e.g., because of a prior related case, because a magistrate judge has devoted substantial time to an unusually complex case, or for some other meritorious reason), and so notify the Clerk's Office in writing

This Order vacates Administrative Order 2000-68.
